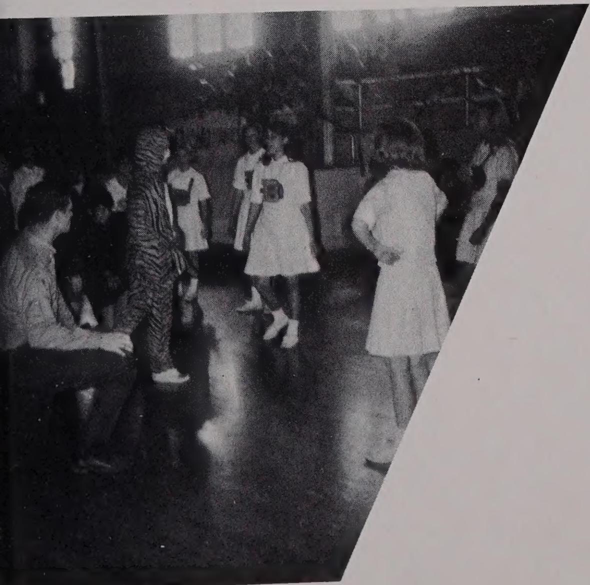
TIGER

DO YOU REMEMBER . . .?



1967 TIGER

BAY HIGH SCHOOL
BAY SAINT LOUIS
MISSISSIPPI

This poem was written by a man who knew what it was like to live in a country where a man was only "an atom of dust" or "a straw in the wind".

I AM AN AMERICAN

I am an American.
My father belongs to the Sons of the Revolution;
My mother, to the Colonial Dames.
One of my ancestors pitched tea overboard in Boston Harbor;
Another stood his ground with Warren;
Another hungered with Washington at Valley Forge.
My forefathers were America in the making:
They spoke in her council halls;
They died on her battlefields;
They commanded her ships;
They cleared her forests.
Dawns reddened and paled.
Staunch hearts of mine beat fast at each new star
In the nation's flag.
Keen eyes of mine foresaw her greater glory:
The sweep of her seas.
The plenty of her plains
The man-hives in her billion-wired cities.
Every drop of blood in me holds a heritage of patriotism.
I am proud of my past.
I am an American.

I am an American.
My father was an atom of dust,
My mother a straw in the wind,
To his Serene Majesty.
One of my ancestors died in the mines of Siberia;
Another was crippled for life by twenty blows of the knout;
Another was killed defending his home during the massacres.
The history of my ancestors is a trail of blood
To the palace-gate of the Great White Czar.
But then the dream came-
The dream of America.
In the light of the Liberty torch
The atom of dust became a man
And the straw became a woman
For the first time.
"See," said my father, pointing to the flag that fluttered near;
"That flag of stars and stripes is yours;
It is the emblem of the promised land.
It means, my son, the hope of humanity.
Live for it – die for it!"
Under the open sky of my new country I swore to do so;
And every drop of blood in me will keep that vow.
I am proud of my future.
I am an American.

Elias Lieberman

We never know how high we are
Till we are called to rise;
And then, if we are true to plan,
Our statures touch the skies.

The heroism we recite
Would be a daily thing,
Did not ourselves the cubits warp
For fear to be a king.

Emily Dickinson

Mrs. Venda Mae Ladner

Mrs. Ladner,

You have been a true friend to us. But more than that, you have helped us and many more. You have overlooked our forgetfulness, our carelessness, and our inconsideration. Your calm resolution and your perspective of life have taken away our anger and substituted understanding.

How can we say thank you to a woman who has done all this? We could have offered you a gift, or presented you with money, but that is too meaningless for you. Instead we chose to work many long hours to produce this yearbook for you. So, to you Mrs. Venda Mae Ladner, we dedicate our '67 TIGER.

With love and appreciation,
The Class of '67

She shows her school spirit in Spanish as well as she does in English.

A teacher to many . . . a friend to all.

FACULTY

TO THE STUDENTS AND FACULTY

As the school year passes, we pause to catch a final glimpse of everything we have done.

May this yearbook bring you many moments of pleasure in the years to come. You, the students of B. H. S. made it; you lived it.

To you who have worked so diligently in making this publication possible, I want to express my appreciation to you for your effort and your work. It is my sincere desire, that this book might serve as a means of peace, harmony and understanding to insure tranquility of light in a world of confusion.

J. D. Mc Cullouch

J. D. McCullouch, Superintendent

As we near the end of another school year, we would like to record here our sincere appreciation to each senior who has worked hard to make Bay High a better school and to make yourself a better citizen.

To the underclassmen, we say that time is short, and there is so much to do. Take advantage of every opportunity before it is too late.

PRESENTING THE BAY HIGH BAND

TIGER BAND DIRECTOR:
Mr. Micheal F. Ferrell

Whether at a football game, a pep rally, concert, or a parade, the band always complements the occasion. Their brilliance at these functions is not merely a spontaneous effort. It is rather a result of constant work, much of it during their own time, to improve their proficiency.

Although the work of the 1966-67 band was always excellent, significant events highlighted the year. They have performed at several school concerts, the Christmas parade at Edgewater Plaza, and two Mardi Gras parades.

This year Mr. Micheal F. Ferrell filled the difficult position of Band Director. The band paid Mr. Ferrell the compliment of performing well under his direction.

The Bay High varsity boys team, under the direction of Coach Wilmer Seymour, experienced a most successful and vitorious season. Our most valuable player, Mike Necaise, broke the high scoring record, and did a great job in leading our team through the season victoriously. The Tigers have won the Gulfport Tournament, the Bay High Tournament, the Sub-District Tournament, and the District Tournament. We are all very proud of our boys' and girls' basketball teams.

THE ROAD GOODBYE

The road I took was named Goodbye
The path looked strange. I wondered why
It left familiar things behind.
A hand caught mine . . . I paid no mind.
The stranger never once did say
Just what had brought him on my way.
On we went, and some afraid
I wished I hadn't come, but stayed.
All the friends that I once knew
Took a road named Goodbye too.
There were no two roads just the same
Though all were called Goodbye by name.
The road went on; we went too,
And I was sad, for then I knew
That never could I be the same
Having walked down Goodbye Lane.

And though I couldn't understand
We walked together hand in hand.
We said no words, but just walked on,
I thought of things now past and gone.
I thought of games I'd lost and won,
I thought of all the things I'd done,
I thought of those I loved and cared,
Of times we'd had, of things we'd shared.
I thought of those I'd come to know.
Just knowing them – They'd helped me so.
I thought of things, of tears I'd shed . . .
Those same things now brought smiles instead.

The tasks I'd done, those left to do,
I wondered how I'd make it through
When something inside seems to say,
"The best you can from day to day."

The way was rough; I knew the score,
It never ends . . . there's always more.
But now I know that all in all
Each thing in its own place will fall.

I thought of all the happy days,
The sad ones now just seemed a haze,
And in a flash I came to see
How much the past had meant to me.

We walked along – I wondered where
The future led and what was there.
The past still echoed from behind
I was its, and it was mine

But in my heart was still a fear,
And in my eye a shining tear;
Yet on my face there was a smile,
And we walked forward all the while.

I walked along the road Goodbye.
I looked back once . . . I heaved a sigh.
Then I remembered at my side –
My silent, but my constant guide.

The stranger's hand I felt in mine.
I looked into his face this time.
I asked his name – he turned just so,
He smiled and said, "I'm called Hello."
